Summary

Innovative Senior Full Stack Web Developer with a passion for crafting seamless digital experiences. Expert in front-end and back-end technologies, I've mastered the art of transforming complex ideas into elegant, user-friendly solutions. A code maestro who thrives on challenges, I bring a blend of creativity and technical prowess to every project. From architecting robust systems to polishing pixel-perfect interfaces, I excel in delivering cutting-edge solutions that redefine user expectations.

Technical Skill Highlights

HTML/CSS	Ajax
PHP	JavaScript
Python	SQL
React	Node JS

Experience

Senior Full Stack Web Developer at Fusion Avinya, Dehradun   **Oct 2022 to Dec 2023**

As a Senior Full Stack Web Developer at Fusion Avinya, I seamlessly fused HTML/CSS, JavaScript, PHP, AJAX, and SQL to revolutionize user interfaces, implement real-time updates, and optimize database structures. In one year, I elevated the company's digital landscape, ensuring responsive and visually captivating web applications. Thriving in collaboration, I contributed to cross-functional teams, embracing continuous learning to stay at the forefront of industry trends. Ready for new challenges, I am a dynamic force in web development, delivering excellence and innovation in every project.

Data Analyst at Amplior, IT Park, Dehradun   **June 2022 to Sept 2022**

As a Data Analyst at Amplior Company, I harnessed the power of LinkedIn to extract and analyse pivotal data from high-ranking authorities within MNCs. Over a dynamic 3-month tenure, I honed my skills in navigating the intricacies of LinkedIn to unveil valuable insights. From unravelling corporate hierarchies to decoding market trends, my role involved transforming raw data into actionable intelligence. Amplifying precision and depth, my stint at Amplior was a short yet impactful journey through the vast landscape of corporate data analytics.

Education

Bachelor of Science: **Information Technology - 2022**
Himalayan Institute of Technology, Dehradun
